Hi Dave,

Here's the tape. (The album will sound a little different, this is the pre-final mastering version.) Most of the songs are A-440, however a couple (Matter of the Heart for one--and I can't remember what else--have either been slightly sped up or slowed down--so if you're not able to get in tune, don't get frustrated--it ain't you babe. Anyway, if you need any help (you never did before) with keys or chords or stuff, let me know (phone or e-mail). Most of the keyboard stuff is pretty straight-forward, but as usual, feel free to embellish or whatever, or do what you think sounds best. You know that when it comes to music I completely trust your instincts, taste and talent, and since I have for 30 fucking years, I see no reason to stop now.

Anyway, let's get together soon. It's been too long!

Peter
